

Banff Primary CRH classes 2021/22 Newsletter Term 1 August

Hello, Hope you all had a good, summer holiday and enjoyed the sunshine!

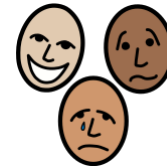

Thank you for continuing to check the learning journals. We will be posting photos and comments every week

Context

This term both classes are using the topic 'Ourselves' for theme work. This involves vocabulary for parts of body, families, friends and becoming aware of our feelings.

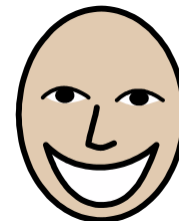

Health and Wellbeing

As part of the 'Ourselves' theme, both classes are using the book, 'Colour Monster'. It helps children identify feelings. Lots of colours and images to help too!

Spare clothes and jackets.

If not in school already, please can you put spare clothes in the school bag as accidents can happen! We have some paint aprons but we still do get a bit messy!

If you have any queries, please just phone the school or contact us through Learning Journals.

Many thanks!

Mrs Bijl and Mrs Hayden
